SMART WIRELESS VIDEO DOORBELL WITH REMOTE CHIME

STARFISH
See life enlightened

Easily expand home security with SATCO/NUVO's Smart Wireless Doorbell with Remote Chime. This complete doorbell system comes with rechargeable battery so that the unit can be installed with no electrical work. Motion detection sends alerts directly to your mobile device allowing you to view historical events and live events in real time, from anywhere. The included chime plugs into standard 120V outlets, making the doorbell audible, even if your mobile is on silent.
